

**Last year, thousands of interns
were forced to deliver drugs.**

Interns can do more.

Interns fetching coffee is good for you, but what about your business? Interns can do more than remember a half-decaf-triple-foam-double-shot-caramel-latte mocha (whew); they can do jobs that free up higher-paid people. Tasks like research, surveys and more.

Get more from your interns. [Click here to learn more. >>](#)
